The mind is central to all human experience. Whether one is in harmony with the world depends upon one's relative emotional and spiritual health. For this reason, the core teachings of Buddhism have always emphasised various forms of mind training. In A Profound Mind, His Holiness the Dalai Lama provides a succinct overview of the basic techniques of spiritual development in Tibetan Buddhism. Introducing several aspects of mind training, he combines the insights of traditional

The first volume of this landmark series presents the teachings of the hinayana. The hinayana introduces core Buddhist teachings on the nature of mind, the practice of meditation, the reality of suffering, and the possibility of liberation. It examines the nature of suffering, impermanence, and egolessness, with an emphasis on personal development through meditative discipline and study. The formal entry into the hinayana and the Buddhist path altogether is the refuge

foundational text of Mahayana Buddhism. In this book, Barry Kerzin, personal physician to the Dalai Lama, presents this fundamental work in a digestible way, using a method favored by His Holiness: focusing on five key chapters, presented in a specific order. First we explore the twelve links of dependent origination, in Nagarjuna's chapter 26, to learn why and how we cycle through sa?sara. Then we examine the self that cycles to discover that, in fact, there is no inherently existent self, based on Nagarjuna's chapter 18. We then enter an analysis of the four noble truths, based on

Finally, Nagarjuna re-emphasizes the pervasiveness of emptiness in his first chapter. Thus, Dr. Kerzin walks us through Nagarjuna's masterwork and lets the great teacher introduce us to Buddhist philosophy, step by step—deepening our understanding, enhancing the way we practice.

Lama XIV begins with this small book of teachings by His Holiness, the perfect introduction to traditional Tibetan Buddhist thought and practice. There is no one more suited to introduce beginners—and remind seasoned practitioners—of the fundamentals of Tibetan Buddhism than His Holiness the Dalai Lama. Speaking to an audience of Western students, the Dalai Lama shows us how to apply basic Buddhist principles to our day-to-day lives. Starting with the very foundation of Buddhism, the Four Noble Truths, he provides the framework for understanding the Buddha's first teachings on suffering, happiness, and
