Incorporate research-based reading strategies to give all your students access to the rich history of the United States. The program includes the finest scholarship and the most up-to-date maps from National Geographic.

Based on an analysis of Sherwood Anderson's letters, this study explores the novelist's principal inspiration during his final years (1938-1941): his exposure to Latin America. Thematically arranged correspondence traces his positive reception in South America--a place he saw as a source of fresh ideas and publishing opportunities--his desire to promote cultural relations between the two Americas, and his legacy among Spanish-speaking readers. The author discusses the political and economic climates of mid-20th century South American nations, their emerging liberal ideologies and the concerns Latin American readers had regarding societal upheaval, urbanization and the

inequities of capitalism--all vividly depicted in Anderson's works.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Enjoy beloved classics while developing vocabulary, reading, and critical thinking skills! Each literature book in the series is a one-year course. Each chapter has five lessons with daily concept-building exercises, warm-up questions, and guided readings. Easy-to-use with suggested reading schedules and daily calendar. Equips students to think critically about philosophy and trends in culture, and articulate their views through writing. A well-crafted presentation of whole-book or whole-work selections from the major genres of classic literature (prose, poetry, and drama), each course has 34 chapters representing 34 weeks of study, with an overview of narrative background material on the writers, their historical settings, and worldview. The rich curriculum's content is infused with critical thinking skills, and an easy-to-use teacher's guide outlines student objectives with each chapter, providing the answers to the assignments and weekly exercises. The final lesson of the week includes both the exam, covering insights on the week's chapter, as well as essays developed through the course of that week's study, chosen by the educator and student to personalize the coursework for the individual learner.

In a work of sweeping scope and luminous detail, Elizabeth Borgwardt describes how a cadre of World War II American planners inaugurated the ideas and institutions that underlie our modern international human rights regime. Borgwardt finds the key in the 1941 Atlantic Charter and its Anglo-American vision of "war and peace aims." In attempting to globalize what U.S. planners heralded as domestic New Deal ideas about security, the ideology of the Atlantic Charter--buttressed by FDR's "Four Freedoms" and the legacies of World War I--redefined human rights and America's vision for the world. Three sets of international negotiations brought the Atlantic Charter blueprint to life--Bretton Woods, the United Nations, and the Nuremberg trials. These new institutions set up mechanisms to stabilize the international economy, promote collective security, and implement new thinking about international justice. The design of these institutions served as a concrete articulation of U.S. national interests, even as they emphasized the importance of working with allies to achieve common goals. The American architects of these charters were attempting to redefine the idea of security in the international sphere. To varying degrees, these institutions and the debates surrounding them set the foundations for the world we know today. By analyzing the interaction of ideas, individuals, and institutions that transformed American foreign policy--and Americans' view of themselves--Borgwardt illuminates the broader history of modern human rights, trade and the global economy, collective security, and international law. This book captures a lost vision of the American role in the world.

Explores the underlying assumptions of environmental studies and the need for a new paradigm for understanding our world.

Believers need to learn to defend the Christian worldview. In today ' s world of varying religions, it ' s becoming more important for a Christian to know what they believe and why they believe it. In *Transformed Thinking*, Tom Wheeler clearly lays out the most fundamental beliefs of Christianity and compares them to other worldviews, providing arguments to support his beliefs. Even though this book is purposed for the classroom setting, it would be a beneficial read for any believer who wants to have a firm foundation on which to share their beliefs with unbelievers. From the beginning of the world to the inerrancy of Scripture, *Transformed Thinking* will provide you with solid answers for your faith. Advance Praise for *Transformed Thinking*: "Transformed Thinking is a veritable encyclopedia of knowledge that provides foundational aspects in developing a Christian worldview. " Dr. Brian Fairchild D.Min./ Pastor, Colonial Bible Church, Midland, Texas "This book is a must read for every Christian layperson and leader in the Church." Dr. Sidney Dyer, Ph.D. Professor of Greek and New Testament/ Greenville Presbyterian Theological Seminary "In the years I ' ve taught high school seniors, Tom Wheeler ' s *Transformed Thinking* has proved to be truly effective in establishing and strengthening Biblical thinking in a world full of opposing views." Dr. Drew Conley, Ph.D. Pastor for Preaching and Teaching/ Hampton Park Baptist Church, Greenville, SC
