Read PDF American Ways A Guide For Foreigners In The United States Gary Althen

In clear language and with numerous examples, this book describes the basic characteristics of American culture: values, style of communication, patterns of thinking, customary behaviours, and underlines how they are different from the ways of other cultures. It then shows how these characteristics are reflected in the many aspects of American life which the foreigner encounters (including politics, social relations, personal hygiene, public behaviour, studying and business). The book also offers concrete suggestions on how to learn more about American culture and how to respond most effectively to the Americans one meets.

An exhaustive advice book for foreign

The United States Gary
Allen
visitors to the U.S. seeking to understand the motivations, attitudes, and actions of Americans.

This unique book paints a revealing picture of America and its people for those foreigners who will benefit from a better understanding of America. It will also inform Americans who want to learn more about the U.S. and how it compares to other countries around the world. World traveler and teacher Lance Johnson studies cultural differences and the difficulties foreigners have understanding crazy America, as some call it. Foreigners might come to the U.S. to work for American employers, to open branch offices or factories for their homeland employers, to start their own businesses, or go to school. Others might work for American organizations in their homelands or have American teachers there. An

understanding of American culture and language will contribute to their success. As the title suggests, this book is for “foreigners.” Dictionaries say they are people who are not citizens of a country. For this book they are defined as anyone who is not sufficiently familiar with American culture to achieve success. This includes the multitudes of foreign-born, naturalized citizens who have lived in the U.S. for years and still struggle with the ways and the language. A foreigner could also be a first-generation American whose immigrant parents did not fully expose their children to American culture and they now pay the price in mainstream U.S. There are lots of other examples, too.

FORMAT Each of the 26 chapters' brush strokes contributes to the final painting of what America is all about. The chapters are grouped into four books. (An all-in-one book is also available.) •Book 1 (A to

G) – America's Heritage. This defines the historical background of why America and its people became who and what they are today. •Book 2 (H to T, this book) –

America's Culture. This section describes everyday life in America, ranging from customs and etiquette, to what's on the minds of Americans, to education.

Practical advice is provided for the one million foreign applicants who seek and gain admission to U.S. colleges and universities each year. Pointers are provided on the cultural differences students should expect, and how to get the most from their education once enrolled.

•Book 3 (U to X) – America's Business.

This explains the complex business environment, operations, and people-related customs and why the U.S. is an economic juggernaut. Information is provided for starting a business of your own in the U.S. as well as how to increase

Read PDF American Ways A Guide For Foreigners In

the chances of your getting hired by an American firm in the U.S. or abroad.

•Book 4 (Y to Z) – America's Language.

These chapters discuss practical ways to improve English grammar, speech, writing, communication skills, and reducing accents. Common English grammar and speech errors made by foreigners are identified and simple tips are provided for overcoming them.

ENDORSEMENTS “I congratulate you on writing this timely work. This will promote better mutual understanding between America and Asia.” - Tommy Koh, Singapore Ambassador to the U.N. and U.S. “Your book covers a broad range of topics that I am sure many...will find very useful.” - Clark T. Randt, Jr., U.S. Ambassador to China. “I greatly appreciate your efforts in sharing with other people your opinion and experience on the exchanges between different

as they should, describing how she worked as a farm laborer, Wal-Mart grocery clerk and Applebee's expediter while living within the means of each job. 25,000 first printing.

This book explores the cultural history and future prospects of the so-called new American way of war. In recent decades, American military culture has become increasingly dominated by a vision of immaculate destruction which reached its apogee with the fall of Baghdad in 2003. Operation Iraqi Freedom was hailed as the triumphant validati

century? This is the first book which deals with planetary human society as whole. It is a beginner's guide to the world after the West and after globalization, compact, portable, and jargon-free. It is aimed at everybody who, even with experience, has kept a beginner's curiosity of the world, to everybody who does not know everything they want to know about it, about the good, the evil, and the salvation of the world. It lays bare the socio-cultural geology of the world, its major civilizations, its historical waves of globalization, its family-sex-gender systems, and its pathways to modernity. It outlines the dynamics of the world, its basic drives, the contours of its most important global and sub-global processes. It presents the big team players on the world stage, populous as well as rich countries, missions and movements as well corporations and cities. It traces the

life-courses of men and women on all the continents, from their birth and childhood to their old age, and their funeral.

What is sold at garage sales? Why does no one get wet at a bridal shower? For non-native speakers, here's a humorous approach to understanding common American customs and the expressions related to them. Customs are explained, one to a page, with conversational examples and whimsical cartoons. Topics range from age-old traditions, such as shaking hands and bachelor parties, to more modern American practices--coupon clipping, TV dinners, and tailgate parties.
