able to find answers to your questions faster than ever before. When you need advice on how to present information, including text, data, and graphics, for publication in any type of format

Designed specifically for undergraduate writing, this easy-to-use pocket guide provides complete guidance for new writers on effective, clear, and inclusive scholarly communication and the essentials of formatting papers and other course assignments.

Offers a guide on how to teach the rules of the APA style manual to students, including a series of multiple-choice tests, answer keys, and advice on how to integrate the topic into the curriculum.

Your students need clear, complete answers to their questions about grammar, research, and writing in the social sciences—and they often need them at a moment's notice. As their teacher, you are their greatest resource, but you can't be available 24/7. For help with work in class and at home and especially for questions at odd hours, students can turn to *A Pocket Style Manual, APA Version*. The APA version of *A Pocket Style Manual* provides help for students writing in disciplines that use APA style: psychology, sociology, economics, criminal justice, nursing, education, business, and others. With a focus on APA conventions and practices, examples and models from across the disciplines, and guidelines for integrating and documenting a wide variety of sources, *A Pocket Style Manual, APA Version*, gives concise, straightforward, and trusted advice for any writing situation.

This invaluable workbook-style reference guide will help you transition from writing for composition classes to writing for psychology classes. Author Lenore T. Szuchman's years of experience teaching writing-intensive courses give her an inside track on the trouble spots students often encounter when writing papers and dealing with APA style. The unique workbook format offers both a quick reference to APA style and interactive exercises that give you a chance to practice what you've learned.

\* Coincides with the 6th ed. of the APA manual (2nd printing) This handbook is ideal for preparing undergraduate essays. It was specifically designed with the average student's needs in mind. The book is intended to cover the vast majority of situations that the normal student will encounter while writing a college essay. Organized for speed and brevity, the book is primarily a concentrated, up-to-date guide on APA format (11 pages) and documentation requirements (12 pages In-Text, 19 pages References) with a heavy emphasis on examples and visual aids (90 to be exact). Additionally the book contains pointers on how to get started, what to document, what notes to take (by source type), and how to handle quotes of varying length. All of this in a book designed to fit in a shirt pocket.
