The Revised Penal Code | Criminal Law | Book 1 | Part 1 By: LUIS B. REYES Australian Criminal Law In The Criminal law of Australia is the body of law made, recognised and applied in Australia that relates to crime. Most criminal law is made and administered by the individual states and territories of Australia. However, there is a body of criminal law, including the Criminal Code, made and administered by the federal government. Criminal law may be differentiated from civil law, which in Australia relates to non-criminal law including civil wrongs, contract law, much of property law and other a

Criminal law of Australia - Wikipedia

The law allows people convicted of minor offences to have the conviction erased from their disclosable criminal record, so it won't affect their chances to further their education or to get a job. This is called the Spent Convictions scheme, which applies in all Australian states and territories.

Common law offence - Wikipedia

Abstract. This study explores how the state of 'intoxication' from the consumption of alcohol or other drugs is treated by the criminal justice system in Australia. The authors analysed more than 500 statutory provisions which attach significance to a person's 'intoxication' for a variety of purposes, and 327 appellate court decisions handed down in Australia between 2010 and 2014 in which the court considered evidence that the accused, the victim or a witness was 'intoxicated ...

The significance of 'intoxication' in Australian criminal law

The age of criminal responsibility in Australia is 10 years old, meaning children under 10 cannot be charged with a crime. In 2018, law experts called for the age to be raised to 16 and the various Attorneys General decided to investigate the matter. Calls to increase the minimum age have increased in recent years.
