AWS Certified Solutions Architect Professional Practice Exam best practice Tests for AWS Certified Solutions Architect Professional Rating: 0.0 out of 5 0.0 (0 ratings)

AWS Certified Solutions Architect Professional Practice ...
I personally took the Solutions Architect Associate exam first. It used to be a requirement though you can now go straight to Professional. Without knowing personal circumstances, I would recommend taking the associate first, as it gets you used to AWS exam conditions and you should be ready to take that earlier. It acts as a good spring board.
