Back To You Kindle Edition Priscilla Glenn

Back to You is a very sweet story, perfect if you are looking for a quick afternoon dose of romance. Pros: It was an easy read and it flowed well. Likeable characters. The concept was great, but it did need a bit more development. Cons: There were a lot of unnecessary details about the characters lives which played no part in the rest of the story.

Back to You by Natalie-Nicole Bates

The iPad makes an awesome e-reader, not just for the Kindle books you've bought from Amazon, but also for other e-book vendors, too — including Apple Books. The newest iPads have an improved anti-glare screen and the Night Shift feature limits the blue light in the iPad's color spectrum during the evening.

Can an iPad Read Kindle Books? And How Do I Buy Them?

If you prepare your paperback with Kindle Create, you can publish it in any trim size. Kindle Create also takes care of complicated paperback formatting tasks for you. When you upload your file to KDP, margins are automatically calculated, and page numbers are added to your paperback's table of contents page and footers.

From the author of *Evergreen* comes a gripping love story that proves it's never too late for love. Eighteen-year-old Charlie Ross does the one thing you should never do before going off to war - he falls in love. Before he is drafted to fight in Vietnam, Charlie spends a magical summer with Anna Cochran, the love of his life. On the banks of the river, they plan their future together, only to watch it slip through their fingers. Before Charlie leaves, Anna promises to wait for him, and she holds true to her word. She writes him religiously, and it is her letters that give him the strength to survive. But the night before he is scheduled to come off the line, his patrol comes under fire and he is taken prisoner. Not long after, the military declares Charlie dead, leaving Anna to pick up the pieces to her shattered world. Seven years later, after enduring a nightmarish hell in the jungle, Charlie returns home to find Anna has moved on. She is married to the man that left him for dead, and to make matters worse, they have a son together. Believing she is still the one, Charlie will stop at nothing to win her back. Can these star-crossed get a second chance at love? Or is it too late?

Ignorance is bliss—except in self-awareness. Ian Morgan Cron and Suzanne Stabile share their Enneagram wisdom and help you grow in knowledge of yourself, compassion for others, and love for God. Witty and filled with stories, this unique approach gives you a peek inside each of the nine Enneagram types, taking you further into who you really are and leading you into spiritual discovery.

Want to go deeper into the Enneagram? This content-rich companion to *The Road Back to You* features helpful tools for growth, new material about Triads, five study sessions, and additional personal reflections about each type. Whether you are on your own or in a group, this guide will help you to grow in knowledge of yourself, compassion for others, and love for God.

Welcome to Crestpoint Beach, where warm sands and sea breezes bring sweet second chances, renewed family ties, and the comfort of coming home. Heartbroken and lost. That's how Annie Collins left small-town Crestpoint Beach when she was eighteen and an aspiring interior designer. And that's how she returns years later, starting over as a widow at thirty-five. Coming home to help care for her aging father while she sorts out her life, Annie moves into her grandparents' old beach house. The big, beautiful home needs a little TLC, but Annie has the support of her free-spirited younger sister, Hannah, who dreams of turning the beach house into a B&B together. If only repairing Annie's wounded heart were that easy. Complicating things even more, her high school heartbreak, Noah Davis, still lives in Crestpoint Beach. Now the town's favorite science teacher, recently divorced single dad Noah is the same handsome, charming man he was back then. Soon, that charm draws Annie back into his life with his teenage daughter, Lainey. Noah walked away from Annie once; will he stand by her this time, even when his ex-wife would like nothing better than to split them apart? *BACK TO YOU* is a clean contemporary romance, and Book 1 of the *Turning Tides* B&B series.

“Insightful, humorous, practical, this book will not only help you understand the story you’re telling yourself but also reveal a new story that allows you to love better.”— Russell Moore, director of the Public Theology Project at Christianity Today In this powerful, transformational guide, the author of the bestselling book *The Road Back to You* breaks new ground with the Enneagram—the ancient personality typing system—by revealing how each of us inhabits a broken story that runs counter to the Larger Story of divine grace and who we were created to be. Drawing on his training as a psychotherapist

and his own personal experience, Ian Cron explains how you can: rewrite the self-sabotaging stories you tell yourself about who you are, free yourself from the tyranny of unconscious childhood messages, and overcome the self-defeating patterns of behavior that prevent you from becoming your authentic self. With this powerful tool, Cron shows us how each type can shed their broken stories and harness their unique power within to become who we are truly meant to be, shedding the unhappiness we accumulate by trying to live out of the wrong story. Filled with examples from people whose lives have been transformed for the better, Cron maps out a guide for using Enneagram wisdom to reauthor your life and experience deep inner transformation, healing, and happiness. Rewrite the story of you and find the freedom in becoming your true self!

“Go back to where you came from, you terrorist!” This is just one of the many warm, lovely, and helpful tips that Wajahat Ali and other children of immigrants receive on a daily basis. Go back where, exactly? Fremont, California, where he grew up, but is now an unaffordable place to live? Or Pakistan, the country his parents left behind a half-century ago? Growing up living the suburban American dream, young Wajahat devoured comic books (devoid of brown superheroes) and fielded well-intentioned advice from uncles and aunties. (“Become a doctor!”) He had turmeric stains under his fingernails, was accident-prone, suffered from OCD, and wore Husky pants, but he was as American as his neighbors, with roots all over the world. Then, while Ali was studying at University of California, Berkeley, 9/11 happened. Muslims replaced communists as America’s enemy #1, and he became an accidental spokesman and ambassador of all ordinary, unthreatening things Muslim-y. Now a middle-aged dad, Ali has become one of the foremost and funniest public intellectuals in America. In *Go Back to Where You Came From*, he tackles the dangers of Islamophobia, white supremacy, and chocolate hummus, peppering personal stories with astute insights into national security, immigration, and pop culture. In this refreshingly bold, hopeful, and uproarious memoir, Ali offers indispensable lessons for cultivating a more compassionate, inclusive, and delicious America.

Have you lost your identity in the busyness of life? In her latest book, *Living True: 40 Days to Get Back to You*, #1 bestselling author Christy Wright guides women on a 40-day journey back to who they were created to be. As an in-demand speaker, Christy connects with and challenges thousands of women every year in the areas of faith, personal development and business. Between endless errands and an overwhelming schedule, it’s easy for women to feel like they’ve lost themselves in the busyness of life. She’s heard hundreds of women say, “I’m pulled in so many directions by so many people. I don’t know who I am anymore.” In *Living True*, Christy walks readers through four sections that will help them discover: Who God Is — 10 Attributes of God Who You Are — 10 Things God Says About You Where You Are — 10 Seasons of Life Where You Are Going — 10 Reasons to Be Hopeful After reading *Living True*, readers will find grace in their current season and confidence to step into who they were created to be.

Amazon #1 Best Seller (e-book): *Alternating between Homecoming Queen Violet (1947) and can't-quite-find-her-crown Ronni (now)*, it's book club fiction at its hilarious, warm, sad, and stunning best. In the tradition of Major Pettigrew's Last Stand, Duke delivers an unforgettable elderly character to treasure and a young heroine to steal your heart

From USA TODAY bestselling author Mira Lyn Kelly... He's the NHL star everyone wants. She's the sports reporter who's been shutting him down since high school. He'll play dirty to get his girl. "Fun, addictive, and outrageously sexy! Dirty Player brought all the feels and left me panting for more!" ~Annika Martin, New York Times bestselling author He'll play dirty to get his girl It started as a joke... A throw away promise between friends. A dare for a single kiss at our reunion and nothing more. But that kiss... That kiss was no joking matter. It was hot and wet. A hands-everywhere, breathless kind of insanity

that left us both teetering on the brink. She's got rules about dating guys like me... Rules I respect the hell out of when they apply to any other pro athlete. But as they apply to me? Well, those rules are about to be broken.

I'll Get Back to You exposes one of life's dirty secrets hiding in plain sight. Unreturned messages drive us nuts and send our heads spinning. It's too painful and crazy to even talk about. The problem is pervasive due to the nature of digital communication. Fading are the days of direct communication by phone or in person, which have immediate responses and clarifications. The immediate feedback loop has been replaced by "broken loops" of communication. Now, due to hundreds of emails and texts, endless waiting, perpetual unreturned messages, and unlimited misunderstanding, we are in a Dyscommunication Crisis. This gives rise to the "Dyscommunication Syndrome"—a cluster of symptoms that comes together and repeats when our message is not returned, including anxiety, worst-case scenarios, catastrophizing, and negative loops of thinking. Sam George can help you learn how to stop this. I'll Get Back to You explains the science behind the Dyscommunication Syndrome. It includes captivating, real life stories about dating, relationships, family, and work—so you can relate it to your own life. With concrete advice, I'll Get Back to You provides:

- Tested tactics, so your messages are promptly returned.
- Solutions for when your message is not returned.
- Exercises and tips for self-improvement.
- Quick and easy techniques to calm your mind.

If you are sick of unreturned messages, this book has the answers. You will never hear the words "I'll get back to you" again.
