The celebration of the harvest is meant to clear away the somber mood hanging over the city and bring about joy and laughter. The festival promises to be anything but fun for Bell, though, after a love letter is hand delivered to him by a high-ranking member of Freya Familia--and it's from Syr of all people! After going deeper than they've ever gone before and surviving the dangers of the Dungeon, Bell and his companions have more than earned themselves a respite. where they all came from and how far they've come...

After saving the young dragon girl Wiene, Bell's name has become synonymous with "greedy", "despicable", and "traitor." He and his familia have completely lost the trust and respect of everyone residing in Orario. There's no time for him to feel sorry himself when his newfound monstrous friends, the Xenos, need his help to get home. But now that the the greatest obstacle in their way is Loki Familia, does Bell have what it takes to raise a fist against his beloved idol, the Sword Princess Aiz Wallenstein?

Having reached a new level of the Dungeon, the Colossal Tree Labyrinth, Bell meets a dragon girl named Wiene who can speak human language. Once he learns she has come under attack from humans and monsters alike, he vows to protect her. This decision brings chaos to the capital as the two navigate ruthless hunters, the irremediable strife between monsters and humans, and the plans of the Guild's true leader. The bizarre situation shakes humans, monsters, and deities to the core in volume nine!

And so the boy begins to run again. Bell has grown through combat with his greatest rival. A rank up, a denatus, a new nickname...as he draws attention from the people and deities of Orario, the young adventurer receives a letter. "A mission...an expedition?" Bell has reached a higher level, and he must therefore take on an even more challenging adventure. The order from the Guild leads him toward a new stage. And so, a faction alliance sets out for the Dungeon. Alongside his companions, Bell faces new floors, new monsters, and new unknowns.

I've got my eye on you... With the help of his new supporter Lilliluka, novice adventurer Bell Cranell is making progress deeper into the Dungeon. With new equipment and new allies, he thinks things are finally starting to go his way...but he's dead wrong! Bell's in a panic, Lilliluka's being cryptic, and Hestia's drunk! The trouble never seems to end in this third volume of the hit comedy-fantasy series!

Bell finally reaches the 11th level of the Dungeon to face his fated opponent--the monster responsible for his humiliation, the Minotaur. The memories of his flight and his failure assault him even as he confronts the deadly beast. Will the heroic drive that Aiz Wallenstein inspired within him be enough to defeat the Minotaur? Maybe, maybe not, but either way he's going to need some help from a new friend...
