The Longman Publishing Co. has been in the publishing business for many years. And it is a well respected company. My understanding is that it has roots in the UK and then migrated across the pond to the US. There approach to the subject of writing, grammar, et cetera, adds a fresh look to writing.

True colors : an EFL course for real communication ...
Longman English Grammar Practice is a practice book. It is intended to support (not replace) the material in language courses and is organized for this purpose: The material is laid out on facing pages. Each set of facing pages deals with a major point of grammar.

This brief, focused preparation package for the TOEFL CBT test should be suitable for review courses or self study. Included is a book which includes general and section-specific test-taking strategies, two audio CDs providing listening material and an interactive CD-ROM with 1475 test items.

Skills -- Strategies -- Confidence. This book/CD-ROM package gives students all the tools they need to succeed on the TOEFL® paper-based test. Providing both a comprehensive language skills course and a wealth of practice for all sections of the paper test, the Longman Preparation Course is appropriate for courses in TOEFL® test preparation or as a supplement to more general ESL courses. In the Student Book, Complete language skills instruction for skills tested on both the TOEFL® paper test and the Test of Written English. Longer reading passages that reflect the latest testing format. Diagnostic pre-tests and evaluation post-tests for each section that allow students to identify their strengths and weaknesses. Practice exercises for each of the language skills that maximize understanding and retention. Five complete Practice Tests that familiarize students with the actual test format and timing. In the CD-ROM, An additional 1,450 test questions in both practice sections and three more simulated tests. Pop-up explanations to enhance understanding. Easy-to-use scoring and record keeping to monitor progress. A separate audio program -- available on your choice of cassettes or CDs -- includes the complete materials from the Listening Comprehension section and Complete Tests in the text.

"The Complete Computer Repair Textbook" is an easy to understand computer repair book. Concepts are presented in a building-block fashion giving readers an opportunity to understand PC repair topics. This book focuses on hardware and basic networking. It is packed with program examples and exercises that will help prepare any technician for a complicated computer problem. The content conforms to A+ Objectives and is held to the highest of standards. For those who want to prepare and pass the A+ certification examination.
