I love a good dragon book, and this one has blown me away! The unique concept with druids, sorcerers, fae, humans and shifters - especially the origin explanation - was brilliant! This book hooks you right from the start where Sloane is being chased by Dragon hunters, not long after she first accidentally shifted into a dragon, turning her world as she knew it upside down. Sloane was so easy to relate to, as she had always thought she was human and her struggles to come to terms with now being Skyborn are so genuine and realistic.

What will she do when everyone is sure she must join the pack? Staying away from the pack in their own territory is not an easy task. Hide, run, and avoid at every opportunity. Getting settled and finding a loving new friend may prove a little unexpected for the eighteen-year-old Zoey, but she is accepting this friend, that is until her secret comes out. Lincoln Grey is the biggest jerk she's ever met ... but not falling in love with him might prove impossible. When angels fell from the sky to war with the demons that ravaged Earth, their combined powers infected humanity. Now, the humans are assigned one of two fates, being either demon gifted or angel blessed. After wings sprout from Brielle's back at her awakening ceremony, she's sure she's an angel blessed celestial. It's not until she sees black wings that she realizes something is terribly wrong. Having sold her contract at a young age to save her father's life means she should be bound for Tainted Academy. That is, until a fallen angel unexpectedly fights for her to be accepted into Fallen Academy, the elite school for those that inhabit Angel City. She's immediately matched with her impossibly handsome celestial teacher, Lincoln Grey. Laying eyes on him, her first thought is that her time at the academy might actually be fun, but this theory quickly fades when she and Lincoln clash on day one. To further prove her admission into Fallen Academy is cursed, the entire school is thrown into chaos when an Abrus demon reveals that he knows Brielle's secret. Now, above all else, Lincoln must fight to protect her. To his surprise, the only thing more difficult than trying to save her ... is trying not to fall for her. Full length 80K word novel
