H. Rider Haggard's King Solomon's Mines tells of a group of adventurers journeying into unexplored Africa in order to find the missing brother of one of the party. The book became an immediate bestseller after publication in 1885. At the time large parts of Africa remained unexplored by Europeans and the book captured the imagination of the public.

Make the most of your wireless network—without becoming a technical expert! This book is the fastest way to connect all your wireless devices, get great performance with everything from streaming media to printing, stay safe and secure, and do more with Wi-Fi than you ever thought possible! Even if you've never set up or run a network before, this book will show you how to do what you want, one incredibly clear and easy step at a time. Wireless networking has never, ever been this simple! Who knew how simple wireless networking could be? This is today's best beginner's guide to creating,

using, troubleshooting, and doing more with your wireless network—simple, practical instructions for doing everything you really want to do, at home or in your business! Here’s a small sample of what you’ll learn:

- Buy the right equipment without overspending
- Reliably connect Windows PCs, Macs, iPads, Android tablets, game consoles, Blu-ray players, smartphones, and more
- Get great performance from all your networked devices
- Smoothly stream media without clogging your entire network
- Store music and movies so you can play them anywhere in your home
- Keep neighbors and snoopers out of your network
- Share the files you want to share—and keep everything else private
- Automatically back up your data across the network
- Print from anywhere in the house—or from anywhere on Earth
- Extend your network to work reliably in larger homes or offices
- Set up a “guest network” for visiting friends and family
- View streaming videos and other web content on your living room TV
- Control your networked devices with your smartphone or tablet
- Connect to Wi-Fi hotspots and get online in your car
- Find and log onto hotspots, both public and hidden
- Quickly troubleshoot common wireless network problems

THE SEQUEL TO THE NUMBER 1 BESTSELLER

WORKING CLASS BOY It's a life too big and a story too extraordinary for just one book. Jimmy Barnes has lived many lives - from Glaswegian migrant kid to iconic front man, from solo superstar to proud father of his own musical clan. In this hugely anticipated sequel to his critically acclaimed bestseller, *Working Class Boy*, Jimmy picks up the story of his life as he leaves Adelaide in the back of an old truck with a then unknown band called Cold Chisel. A spellbinding and searingly honest reflection on success, fame and addiction; this self-penned memoir reveals how Jimmy Barnes used the fuel of childhood trauma to ignite and propel Australia's greatest rock'n'roll story. But beyond the combustible merry-go-round of fame, drugs and rehab, across the Cold Chisel, solo and soul years - this is a story about how it's never too late to try and put things right.

Provides information on what a HDTV is, how to choose one, how to connect it to other equipment, programming choices, and adding accessories.

Toast on Toast is the must-have book for all budding actors - and non-actors too. In this part memoir, part 'how to act' manual, Steven Toast draws on his vast and varied experiences, providing the reader with an invaluable insight into his journey from school plays to RADA, and from 'It's a Right Royal Knockout' to the Colony Club. Along the way, he

Read PDF Sony Blu Ray Player Bdp S185 Manual

reveals the secrets of his success. He discloses how to brush up on and expand your technical and vocal skills, how to nail a professional voiceover, and how to deal with difficult work experience staff in a recording studio. He also reveals the dangers of typecasting, describes the often ruthless struggle for 'top billing', and shares many awesome nuggets of advice. The end result is a book that will inspire and educate anyone who wants to tread the floorboards. It will also inform (and entertain) anybody who simply wants to discover what a jobbing actor's life is actually like.

"I share the country's admiration for the bravery of Captain Phillips and his selfless concern for his crew. His courage is a model for all Americans." --President Barack Obama It was just another day on the job for fifty-three-year-old Richard Phillips, captain of the Maersk Alabama, the United States-flagged cargo ship which was carrying, among other things, food and agricultural materials for the World Food Program. That all changed when armed Somali pirates boarded the ship. The pirates didn't expect the crew to fight back, nor did they expect Captain Phillips to offer himself as hostage in exchange for the safety of his crew. Thus began the tense five-day stand-off, which ended in a daring high-seas rescue when U.S. Navy SEALs opened fire and picked off three of

Read PDF Sony Blu Ray Player Bdp S185 Manual

the captors. "It never ends like this," Captain Phillips said. And he's right. *A Captain's Duty* tells the life-and-death drama of the Vermont native who was held captive on a tiny lifeboat off Somalia's anarchic, gun-plagued shores. A story of adventure and courage, it provides the intimate details of this high-seas hostage-taking--the unbearable heat, the death threats, the mock executions, and the escape attempt. When the pirates boarded his ship, Captain Phillips put his experience into action, doing everything he could to safeguard his crew. And when he was held captive by the pirates, he marshaled all his resources to ensure his own survival, withstanding intense physical hardship and an escalating battle of wills with the pirates. This was it: the moment where training meets instinct and where character is everything. Richard Phillips was ready.
