3-Sweep is a creative method for 3D modeling from a single image, which is proposed in a SIGGRAPH ASIA 2013 paper by Tsinghua University, Tel Aviv University and The Interdisciplinary Center. According to many readers' requests, Jiahui Huang from the Graphics and Geometry Computing group of Tsinghua University implemented this software.

Morgan and her best friend, Bree, are introduced to Wicca when a gorgeous senior named Cal invites them to join his new coven. Morgan falls for Cal immediately? and discovers that she has strong, inexplicable powers.

Morgan knows that a great battle is to come. More immediately, she senses that someone is out to harm Hunter. Is it a human or a witch?

Cal, now Morgan's boyfriend, helps her accept the truth: Wicca is in Morgan's blood. As Morgan learns more about Wicca, she realizes that she needs to find out more about her parentage. The answers are there, but she doesn't know how to find them.

Morgan desperately searches for strength as her parents get angry with her for neglecting her schoolwork to pursue her magical studies, and as her coven-mates are persecuted for their beliefs.

Evil forces are after Morgan, forces connected with a dark wave of magick. And she knows something is wrong with the way Cal is acting, although she can't put her finger on it. Cal is definitely hiding something, but is he out to hurt her, as Hunter says?

The Ponderosa Resort Romantic Comedy Series invites you to small-town Central Oregon where two sisters work to get their reindeer ranch up and running while the siblings down the road transform their late father's ranch into a luxury resort (all while getting to know each other because they grew up with different moms. Er, Dad got around). Fans of laughter, tears, and tingly bits will love this series from a USA Today bestselling author. This boxed set contains books 7-9 in the Ponderosa Resort series. About Captain Dreamboat (book 7) The problem with being the family do-gooder? Sometimes you need to be bad. Or selfish, or whatever it's called when I lock lips with Blanka Pavlo in a hospital hallway. I'm nuts about the sexy science goddess, but it's a dick move to ditch a lifetime of rescue work staying here instead of heading back out on the high seas. But it turns out donating an organ gets you grounded a while. A few months at my family's resort means more time with Blanka, and more chances she'll notice I suck at self-care. She has a point, and also a plan. That's how I end up tied to my headboard with balloon animals, adopting a homely cat, and joining Blanka for a bubble bath that's way steamier than any fully-clothed event ought to be. It's almost enough to make a guy forget why he's spent a lifetime struggling to cancel out the sins of dear ol' dad. Almost. About Snowbound Squeeze (book 8) A SPECIAL PONDEROSA RESORT NOVELLA! Rule one when seeking a secret mountain hideaway: Be certain the cabin's unoccupied. Also, make sure there's no blizzard coming. I've screwed up all of that before I get the key in the door, which shouldn't be a shock. God knows I've messed up plenty of things lately. Is it too much to want a hideout from Hollywood headlines in a place no one knows my name? Maybe not, since Gretchen Laslo has zero clue who I am. That's the upside of being snowed-in with a stunning professor whose impressive list of appliances includes two ice cream makers and no television. The downside? Cocoa and blanket forts lead to toe-curling sex, which leads to me kinda-sorta

Download File PDF Sweep Volume 3 7 9 Cate Tiernan

forgetting to tell her the paparazzi's on my tail. It's a matter of time before she finds out. When that happens, our wintry romance will melt faster than two snowmen boning in a sauna. About Dr. Hot Stuff (book 9) Racing heart? Check. Damp palms? Check. All signs indicate I've got it bad for Lady Isabella Blankenship. It could be contagious, since Iz shows all the same symptoms. But what's got her pulling back anytime things blaze between us? I know a modern-day duchess might have baggage from finding out she's the illegitimate child of a dead American philanderer with more kids than morals. But Izzy's on edge, and there's more to it than run-of-the-mill culture shock. Turns out I'm not the only guy drawn to her. She's shadowed 24/7 by protective siblings, an amorous pig named Kevin, and a deadly-looking stranger skulking around Ponderosa Resort. It's more drama than I've seen since my days as an Army doc, so I'm happy to lend Iz a shoulder or any body part she needs. But what are my odds of diagnosing what ails Izzy before my royal crush makes a run for it?

Harvey Beckett and her friends are once again embroiled in three murders in their tiny Maryland town. Their good hearts and curious natures leave them in peril, but it's worth it, at least to Harvey. Get books 7-9 of the series in this box set and enjoy how Harvey's nosiness and caring nature get her into all kinds of trouble. Is her quest for justice worth the danger she's in?

When Morgan receives a shocking revelation about her family, she's thrown into a moral tailspin, believing that her essential nature is evil. Is her dark heritage too powerful to overcome?
