Two world-renowned marketing consultants and bestselling authors present the definitive rules of marketing.

What's the secret to a company's continued growth and prosperity? Internationally known marketing expert Al Ries has the answer: focus. His commonsense approach to business management is founded on the premise that long-lasting success depends on focusing on core products and eschewing the temptation to diversify into unrelated enterprises. Using real-world examples, Ries shows that in industry after industry, it is the companies that resist diversification, and focus instead on owning a category in consumers' minds, that dominate their markets. He offers solid guidance on how to get focused and how to stay focused, laying out a workable blueprint for any company's evolution that will increase market share and shareholder value while ensuring future success.

Bestselling marketing guru Al Ries and his daughter and partner Laura divulge the revolutionary strategies needed to successfully build your company, product or service into a profitable brand using the internet. The Internet is the first major

new communication medium to be introduced since television and businesses ignore it at their peril. If the Internet is going to take its place alongside the other major media it will be because it exploits a powerful new attribute - interactivity. The Internet will make traditional forms of branding, such as conventional advertising, redundant. In order to succeed in branding on the net, the message to customers must be interactive. Al and Laura Ries examine this dilemma and explain how their other revolutionary principles can help your company to build a brand on the net. Like the 22 Immutable Laws of Marketing and the 22 Immutable Laws of Branding, this will be a smart snappy read full of practical advice and marketing savvy. The authors will use anecdotes from their own consulting business with top companies to illustrate how Internet branding really works.

22 Immutable Laws of Marketing is a collection of 22 self-made laws by authors Al Ries and Jack Trout which is based on their years of experience in marketing as well as knowledge acquired over these years. It is important for anyone who has an interest in marketing to read these laws.

Offers revised thinking on management practice, emphasizing tactics, rather than arbitrary decision making, to guide strategy, and contains step-by-step procedures for a marketing campaign
