What would you do if you were medically unable to gain weight? Eat chocolate and solve murders, of course . . . When a car accident leads to extensive plastic surgery and an inability to gain weight, Cocoa Narel finds herself transformed from an ugly duckling into a beautiful swan. No longer forced to temper her love for chocolate, Cocoa plans to open a candy store and begins to enjoy the sweet life along with her quirky rescue cat. But when her high school bullies start being murdered one by one, Cocoa becomes the prime suspect. Can she clear her name, or does the true culprit have a few Twix up their sleeve? A Freebie - Free cozy mystery - Book 1 in the Cocoa Narel Chocolate Shop Mysteries by USA Today Bestselling author, Morgana Best.

Ruth Patchett never thought of herself as particularly devilish. Rather the opposite in fact - simply a tall, not terribly attractive woman living a quiet life as a wife and mother in a respectable suburb. But when she discovers that her husband is having a passionate affair with the lovely romantic novelist Mary Fisher, she is so seized by envy that she becomes truly diabolic. Within weeks she has burnt down the family home, collected the insurance, made love to the local drunk and embarked on a course of destruction and revenge. A blackly comic satire of the war of the sexes, THE LIFE AND LOVES OF A SHE DEVIL is the fantasy of the wronged woman made real.

For every woman who's struggled to link her experience of the female body with her desire for Christian spirituality.

Curt's having the worst luck: his date just stood him up, he just sat in someone's cheesy nachos at the movie theatre, and a crazy naked woman BIT him in the alley outside. It's true what they say, weird things do happen at the full moon.Little does Curt know that the woman who bit him in the alley has infected him. His full moon nights are about to get a lot weirder, because from now on, he'll become a sex-hungry woman when the moon is fully exposed.His female self's appetites are insatiable when the full moon is in the sky. He can only refer to himself as a werewoman. He enlists Kathy, his oldest friend and the only person who will believe him, to help him deal with the werewoman. Together, they manage to find a bright spot in all the madness.Author's note: This is a standalone romance story with a HAE ending! Two bonus gender swap romance stories have been included as a thank you to my readers!Warning: This 15,000-word novella contains graphic language and steamy descriptions of gender transformation and sex.

A riveting debut novel set in contemporary Seoul, Korea, about four young women making their way in a world defined by impossible standards of beauty, after-hours room salons catering to wealthy men, ruthless social hierarchies, and K-pop mania. " Powerful and provocative . . . a novel about female strength, spirit, resilience—and the solace that friendship can sometimes provide. " —The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • NPR • Esquire • Bustle • BBC • New York Post • InStyle Kyuri is an achingly beautiful woman with a hard-won job at a Seoul " room salon, " an exclusive underground bar where she entertains businessmen while they drink. Though she prides herself on her cold, clear-eyed approach to life, an impulsive mistake threatens her livelihood. Kyuri ' s roommate, Miho, is a talented artist who grew up in an orphanage but won a scholarship to study art in New York. Returning to Korea after college, she finds herself in a precarious relationship with the heir to one of the country ' s biggest conglomerates. Down the hall in their building lives Ara, a hairstylist whose two preoccupations sustain her: an obsession with a boy-band pop star, and a best friend who is saving up for the extreme plastic surgery that she hopes will change her life. And Wonna, one floor below, is a newlywed trying to have a baby that she and her husband have no idea how they can afford to raise in Korea ' s brutal economy. Together, their stories tell a gripping tale at once unfamiliar and unmistakably universal, in which their tentative friendships may turn out to be the thing that ultimately saves them.

A guide to beauty care that considers men's preferences shares recommendations for the latest cosmetic regimens, from botox injections and chemical peels to liposuction and breast augmentation.

An unforgettable collection featuring eighteen stories of red-hot revenge!

The engrossing memoir of a plastic and reconstructive surgeon involved in groundbreaking and life-changing procedures Through his work in plastic and reconstructive surgery, Dr. Donald Laub changed the lives of thousands of people who had been shunned by society. Dr. Laub ' s influence fostered the development of three key areas in the surgical profession: pioneering and influencing international humanitarian medical missions in the developing world, being at the forefront of gender affirmation surgery for transgender people since 1968, and the education and training of over 50 plastic and reconstructive surgeons. His unstinting efforts to surgically correct cleft palates gave new lives to thousands of children in developing countries. As one of the original surgeons to perform gender affirmation surgery, Laub not only continually improved on his methods, but he also became a tireless advocate for the rights of transgender people. His non-profit foundation (Interplast, now called ReSurge International) has sent thousands of multidisciplinary teams to perform transformative and reconstructive surgery in the developing world. Second Lives, Second Chances is more than just a memoir; it ' s a testament to how the determination of one person can bring others together to make a lasting difference in the world.

NAMED A MOST-ANTICIPATED BOOK OF THE YEAR BY MS. MAGAZINE AND CRIMEREADS Parasite meets The Good Son in this piercing psychological portrait of three women haunted by a brutal, unsolved crime. In the summer of 2002, when Korea is abuzz over hosting the FIFA World Cup, eighteen-year-old Kim Hae-on is killed in what becomes known as the High School Beauty Murder. Two suspects quickly emerge: rich kid Shin Jeongjun, whose car Hae-on was last seen in, and delivery boy Han Manu, who witnessed her there just a few hours before her death. But when Jeongjun ' s alibi checks out, and no evidence can be pinned on Manu, the case goes cold. Seventeen years pass without any resolution for those close to Hae-on, and the grief and uncertainty take a cruel toll on her younger sister, Da-on, in particular. Unable to move on with her life, Da-on tries in her own twisted way to recover some of what she ' s lost, ultimately setting out to find the truth of what happened. Shifting between the perspectives of Da-on and two of Hae-on ' s classmates struck in different ways by her otherworldly beauty, Lemon ostensibly takes the shape of a crime novel. But identifying the perpetrator is not the main objective here: Kwon Yeo-sun uses this well-worn form to craft a searing, timely exploration of privilege, jealousy, trauma, and how we live with the wrongs we have endured and inflicted in turn.

Cold honesty, grudging acceptance, and sweet revenge: facing down the demons in small-town New Hampshire.
