Back in 1974, it was James Herbert who resuscitated Britain's place in the horror genre and led readers and fans to discover the likes of Stephen King, HP Lovecraft and Clive Barker. Though I don't recall how it affected me at the time, I'm heartened to find "The Rats" is still a pretty chilling read.

millions of years man and rats had been natural enemies. But now for the first time — suddenly, shockingly, horribly — the balance of power had shifted . . .

Part of the Rats trilogy, the restless rats return in James Herbert's Lair. The mutant white rat had grown and mated, creating offspring in its own image. They dominated the others, the dark-furred ones, who foraged for food and brought it back to the lair. Now the dark rats were restless, tormented by a craving they could not satisfy. But the white slug-like thing that ruled them knew. Its two heads weaved to and fro and a stickiness drooled from its mouth as it remembered the taste of human flesh . . .

shattered, its people destroyed or mutilated beyond hope. For just a few, survival is possible only beneath the wrecked streets - if there is time to avoid the slow-descending poisonous ashes. But below, the rats, demonic offspring of their irradiated forebears, are waiting. They know that Man is weakened, become frail. Has become their prey . . .

The Fog is a powerful, classic horror novel from James Herbert, author of The Rats. It begins with a crack that rips the earth apart. Peaceful village life shattered. But the disaster is just the beginning. Out of the bottomless pit creeps a malevolent fog. Spreading through the air it leaves a deadly, horrifying trail, destined to devastate the lives of all those it encounters . . .

Fluke is the moving story of a dog with

the memories of a human, with the signature twisting plot James Herbert is famed for. A dog wanders the streets, compelled by a ravenous hunger. Hunting a prey he cannot not define, driven by a primal instinct he cannot ignore. He is more than he thinks, more than he can remember and in the depths of his brain the memory of what he once was is clawing for release . . .

The Spear, is a gripping supernatural thriller by the master of horror, James Herbert. A young Mossad agent is found dead and private detective Harry Steadman is asked to investigate. On the hunt for a sinister arms dealer, however, what he discovers is a conspiracy of unfathomable horror. Neo-nazi cultists want to unleash an ancient and demonic power. A power so terrible it threatens the world itself . . .

Step inside *The Magic Cottage*, another chilling classic from the Master of Horror James Herbert. A cottage was found in the heart of the forest. It was charming, maybe a little run-down, but so peaceful – a magical haven for creativity and love. But the cottage had an alternative side – the bad magic. What happened there was horrendous beyond belief . . .

In James Herbert's *Others*, private investigator Nicholas Dismas is hired to track down a missing baby stolen away at birth, he finds himself immersed in a grim underworld of lies and deceit. His investigations ultimately lead him to a mysteriously located place with the seemingly innocent name of Perfect Rest, a nursing home where the elderly can live out their days in peace . . . But appearances can be deceptive and Dismas discovers the shadowy presence of the
