Tropic Of Capricorn by Miller, Henry - Biblio.com

Tropic of Capricorn is a semi-autobiographical novel by Henry Miller, first published by Obelisk Press in Paris in 1939. A prequel of sorts to Miller's first published novel, 1934's Tropic of Cancer, it was banned in the United States until a 1961 Justice Department ruling declared that its contents were not obscene.

Banned in America for almost thirty years because of its explicit sexual content, this companion volume to Miller ' s Tropic of Cancer chronicles his life in 1920s New York City. Famous for its frank portrayal of life in Brooklyn ' s ethnic neighborhoods and Miller ' s outrageous sexual exploits, The Tropic of Capricorn is now considered a cornerstone of modern literature.

Continuing the subversive self-revelation begun in Tropic of Cancer and Tropic of Capricorn, Henry Miller takes readers along a mad, free-associating journey from the damp grime of his Brooklyn youth to the sun-splashed cafes and squalid flats of Paris. With incomparable glee, Miller shifts effortlessly from Virgil to venereal disease, from Rabelais

to Roquefort. In this seductive technicolor swirl of Paris and New York, he captures like no one else the blending of people and the cities they inhabit.

Miller ' s groundbreaking first novel, banned in Britain for almost thirty years.

The author's quest for spiritual renewal is illuminated in descriptions of his impressions of Greece and its people

Henry Miller's advice to young artists is lovingly recalled by a dear friend in this powerful remembrance of a literary genius who has

File Type PDF Tropic Of Capricorn 1st Edition Us Edition

influenced so many writers, artists, and intellectuals. (Literature)

Henry Miller described himself as a confused, negligent, reckless, lusty, obscene, boisterous, thoughtful, scrupulous, lying, diabolically truthful man...filled with wisdom and nonsense. These letters, penned by the controversial author of *Tropic of Cancer*, *Tropic of Capricorn* and *Black Spring*, represent Henry Miller's sexual and moral summing-up. They chart the infatuation, marriage and eventual disillusionment of Miller with his fifth wife Hoki Tokuda, a talented Japanese musician almost fifty years his junior. In its almost dangerous candor and its melancholy recognition of love's failure to sustain happiness, this volume deserves to be viewed as the culminating statement of Miller's interior life.

File Type PDF Tropic Of Capricorn 1st Edition Us Edition

Aller Retour New York is truly vintage Henry Miller, written during his most creative period, between Tropic of Cancer (1934) and Tropic of Capricorn (1939). Miller always said that his best writing was in his letters, and this unbuttoned missive to his friend Alfred Perlès is not only his longest (nearly 80 pages!) but his best—an exuberant, rambling, episodic, humorous account of his visit to New York in 1935 and return to Europe aboard a Dutch ship. Despite its high repute among Miller devotees, Aller Retour New York has never been easy to find. It was first brought out in Paris in 1935 in a limited edition, and a second edition, “Printed for Private Circulation Only,” was issued in the United States ten years later. It is now available in paperback as a Revived Modern Classic, with an introduction by George Wickes that illuminates the people and personal circumstances which inform Aller Retour New York.

In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years.

An essential collection of writings, bursting with Henry Miller ' s exhilarating candor and wisdom In this selection of stories and essays, Henry Miller elucidates, revels, and soars, showing his command over a wide range of moods, styles, and subject matters. Writing “ from the heart, ” always with a refreshing lack of reticence, Miller involves the reader directly in his thoughts and feelings. “ His real aim, ” Karl Shapiro has written, “ is to find the living core of our world whenever it survives and in whatever manifestation, in art, in literature, in human behavior itself. It is then that he sings, praises, and shouts at the top of his lungs with the uncontainable hilarity he is famous for. ” Here are

File Type PDF Tropic Of Capricorn 1st Edition Us Edition

some of Henry Miller ' s best-known writings: an essay on the photographer Brassai; “ Reflections on Writing, ” in which Miller examines his own position as a writer; “ Seraphita ” and “ Balzac and His Double, ” on the works of other writers; and “ The Alcoholic Veteran, ” “ Creative Death, ” “ The Enormous Womb, ” and “ The Philosopher Who Philosophizes. ”
