In a world where the League and its assassins rule, where betrayal and treachery are everywhere, the only survivors are those ones who are...born of shadows. For Caillen Dagan, a defiant soldier of fortune, survival isn't a right, it's a brutal daily battle. Moving through the Ichidaian universe like a wraith, his brushes with the law and death are legendary. But when an act of rare heroism reveals his hidden birthright, he's forced into a world much more dangerous and cold-hearted than the bloody streets where he was raised-one of obscene wealth and lethal politics. Ferocious and determined, Desideria serves as an official bodyguard for her queen. Born of questionable genetics, she will do anything to prove herself worthy of the weapons she carries and the position she's won by combat. But when she uncovers a ruthless plot to assassinate the queen and overthrow her country's government, Desideria is caught in the crosshairs. With assassination contracts out on both of them, Caillen and Desideria must learn to fight together or die alone. And if they fail, their governments will fall into the hands of an unimaginable evil.

NOW A LIFETIME TV MOVIE STARRING JOHN STAMOS From the bestselling author of The Double Bind, Midwives, and Skeletons at the Feast comes a novel of shattered faith, intimate secrets, and the delicate nature of sacrifice. "There," says Alice Hayward to Reverend Stephen Drew, just after her baptism, and just before going home to the husband who will kill her that evening and then shoot himself. Drew, tortured by the cryptic finality of that short utterance, feels his faith in God slipping away and is saved from despair only by a meeting with Heather Laurent, the author of wildly successful, inspirational books about . . . angels. Heather survived a childhood that culminated in her own parents' murder-suicide, so she identifies deeply with Alice 's daughter, Katie, offering herself as a mentor to the girl and a shoulder for Stephen -- who flees the pulpit to be with Heather and see if there is anything to be salvaged from the spiritual wreckage around him. But then the State's Attorney begins to suspect that Alice's husband may not have killed himself. . . and finds out that Alice had secrets only her minister knew. Secrets of Eden is both a haunting literary thriller and a deeply evocative testament to the inner complexities that mark all of our lives. Once again Chris Bohjalian has given us a riveting page-turner in which nothing is precisely what it seems. As one character remarks, " Believe no one. Trust no one. Assume all of our stories are suspect."

In her music, she found sweet salvation.... Honey grew up on a farm under her strict, fanatically religious grandfather's disapproving eye. To him, everything is a sin -- from her natural-born talent for the violin to her innocent interest in boys and dating -- and life is a treacherous path to be walked in fear. When Honey is paired for music practice with a brilliant piano student, wealthy Chandler Maxwell, she discovers a true soul mate. But when a shocking family secret comes to light, Honey discovers the startling cause of her grandfather's bitter fury. And her own precious joy may be lost forever....

"Sophisticated young readers will be awed by the delicate, measured, heartbreaking portrait that emerges." -- Kirkus Reviews (starred review) As life slips away, Gabriel looks back over his brief twenty years, which have been clouded by frustration and humiliation. A small, unforgiving town and distant, punitive parents ensure that he is never allowed to forget the horrific mistake he made as a child. He has only two friends - his dog, Surrender, and the unruly wild boy, Finnigan, a shadowy doppelganger with whom the meek Gabriel once made a boyhood pact. But when a series of arson attacks grips the town, Gabriel realizes how unpredictable and dangerous Finnigan is. As events begin to spiral violently out of control, it becomes devastatingly clear that only the most extreme measures will rid Gabriel of Finnigan for good.

What comes plain, but is also very useful! An unruled composition book! It has unruled pages, free of lines and has no visual distractions to worry about. If you need a book wherein you can use for free-form writing, or even drawing, then this is the perfect tool for you to express yourself without limitations. It's a good opportunity for children to write freely and teaches them to become more conscious of placing the print on the page rather than just filling up the lines. This is ideal for free-form journaling or sketching, note taking, drawing, doodling, among endless possibilities.

A collaborative abecedary that granted the poets freedom to modify each others lines as long as they kept to the required word repetition. The result is a playful sequence that ranges from no stone unturned to the motions of galaxies.

*She's just inherited super powers of-- er, sarcasm? She's wild and outspoken. Trouble follows Carla Mainston wherever she goes. But what do you expect from a purple outcast living in a green colony? She's the last girl on the planet who should be inheriting special powers. If that wasn't bad enough, there's a deadly disease spreading faster than a dirty joke in the playground, and when Carla's brother Joe becomes infected, she has to find a cure before it's too late. With the assistance of a muscle-bound scientist called Parklon, and a dealer in illegal books called Bob, Carla discovers that superpowers come at a price. With a murderer on her heels, Carla has to use every trick in the book to stay alive. That's if she can avoid getting arrested, or end up having the life sucked out of her by her new boyfriend"--Page 4 of cover.

Legendary rock singer Britt Jordan is at the pinnacle of his career-at least as far as the world knows. But Britt's voice is failing and a terrible event in his past haunts him every moment. He thinks that his life is a hopeless shipwreck...until the night he is stopped dead in his tracks by a woman's smile. With the same determination that propelled him to stardom, he begins to create a new life with Dena and her daughter, Bonnie. Britt's presence in Dena's life brings more than paparazzi, however. His baggage includes a brother who wants to destroy him and a stalker intent on killing his wife. Willing to sacrifice any price to save his family, he finally must find a higher plane on which to face his past and his future.
